UE-RIN'S WAY OF THE NINJA ①

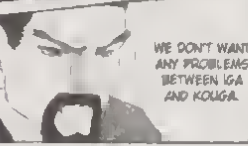
Ue-Rin's encounter with Manga was pretty late. No one in his family read manga so I had never read manga until I entered middle school. I liked to draw even before that so I spent my daily given allowance renting pictures after watching anime or reading cartoon books.

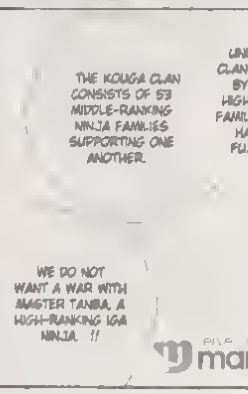
?

I kept wasting those rolls of paper that my parents brought back from the factory. I was so scared I barely remember any of it.)

In middle school my classmate artwork inspired Manga! Manga and a manga magazine to school.

Manga! was a weekly magazine back then





THE KOUGA CLAN CONSISTS OF 53 MIDDLE-RANKING NINJA FAMILIES SUPPORTING ONE ANOTHER.
UNLIKE THE IGA CLAN WHICH IS LED BY THE THREE HIGH-RANK NINJA FAMILIES MOMOCHI, HATTORI, AND FUJIBAYASHI...
WE DO NOT WANT A WAR WITH MASTER TANBA, A HIGH-RANKING IGA NINJA. !!
